The Aurora Community Center Corporation is a non-profit organization, staffed by volunteers, that leases the facility from the City of Aurora. The volunteers maintain and continue to improve the building and grounds by renting the facility and from donations.

The Community Center features a meeting/dining hall (38' x 50') It seats 125 people comfortably with tables and chairs, or 225 people with chairs only. There are ten 8' & two 6' tables and five 5' (round) tables & 125 chairs available. We have a podium, small wedding arch, CD sound system as well as an antique piano.

There is an additional small meeting room (off the main room) which seats 10 -12 people. The "Memorial room" is equipped with a conference table and 8 conference style chairs, a DVD player & monitor.

The large open kitchen has a standard size stove, refrigerator, chest-type freezer, microwave and dishwasher. We have two sets of sinks and ample counter space. We have a large punch bowl, ice buckets, two large (24-28 cup) coffee makers, and pitchers for water/tea.

Our building is handicapped accessible, as are the restrooms. Handicapped parking is available on the east side of the building.
