Travis Wittenborn informed the Park Board that the Parks Department has been cleaning up White Park since the flooding. They have put the leftover dirt and sand base on the Softball Field but Legion Field is out of use until they can get in new sand base. They are also looking into getting a portable mound for Legions Field. Fencing for Legion Field will be pieced together but the Softball Field is destroyed and will need to be replaced.

Linda Degarmo, a citizen of Aurora, asked where the Dog park be? President Forrester told her it would be on the corner of Hudson and High street in Baldwin Park. She also asked about the bid for the tennis courts and if the tennis courts were going to be moved. The Park Board informed her that we are currently waiting for a bid to seal the cracks in the tennis courts. As far as moving the tennis courts we are waiting for the Park Master Plan to see the best options.
